STAT:2010/4200, Statistical Methods and Computing
Instructor: Cowles Spring 2016, Homework 10

Due: Mon. Apr. 25 in class

1. Textbook problems 21.14 and 21.15. Do by hand.

2. Textbook problems 21.18 and 21.20. Answer all parts of both questions.

3. Textbook problem 23.28. Do part (a) by hand. Use SAS to get the numeric results for part (b). Answer part (c).

4. Textbook problem 23.30. Use SAS to get the numbers. Answer all parts of the question.

5. Textbook problems: 25.8, 25.9, 25.10, 25.28

   Note: the datasets for problems 25.8, 25.9, 25.10 are on the course web page as `borneologging.dat` and `bromeliads.dat`.
