• The final exam will be given Wed., 12/18, at 7:30 a.m. in the classroom

• It will cover the following topics, in addition to all material that was covered on the midterm
  – Logistic regression
  – Censored data

• Questions will be mostly short answer. Some will involve interpreting computer output that I will provide.

• You may bring
  – four 8-1/2 x 11 sheet of paper with your own notes
  – Cohen and Cohen handouts
  – a calculator

• I will provide tables.
