In Jupyter notebook
Choose how to color vertices in TDA mapper graph

Output the color code for each node in TDA mapper graph

node_color
array([0.03452731, 0.05141895, 0.01547268, 0.000476, 0.000117487, 0.01067286, 0.000467893, 0.000320405])
