

### Q1 Spring 2024 Undergraduate Seminar

Please take a few minutes to complete this post-course survey. The purpose of this survey is to collect information about your experiences in the course at the University of Iowa that took place in the spring of 2024. The results of the survey will be used to inform the University's Math Department about the strengths of the course and areas of improvement in the future. Your responses are confidential, so please answer honestly.

This survey is being conducted by the Center for Evaluation and Assessment (CEA). If you have any questions about this survey, please contact Dr. Liz Hollingworth at [liz-hollingworth@uiowa.edu](mailto:liz-hollingworth@uiowa.edu).
